As for those which happen in these days, it is an insult to rune exhibit of the population of his district— which happen in these days, it is an insult to receive the perhaps of war,

Attributed to spite against the present Secretary neither less nor more. If any one has not

What care they for a few lives sacrificed roads. How many roads are there in America on which an "accident" has not occurred A dispatch to THE TRIBUNE, from Washing- within the last six months? How many accidents have there been which the most ordinare care and vigilance might not have prevented; Certainly not one in twenty, and of the other nineteen, the guilty authors yet go unwhipped of justice. Escape forever they cannot. The law is slow, uncertain, and clumsy, but surely there must be some remedy for this crying and increasing evil.

"THE UNJUST JUDGE,

Judge Taney's career has hardly been sub-

eracy it was to hate the Supreme Court. Senate. "The seat vacated by Marshall was of a prosecuting attorney. We know what he thought when younger - when Slavery was grown so strong as to make their system a plat-

spare the Supreme Court. Happily for its own purposes, Taney was obedient without discipline. He was as It needs somebody with a talent for figures much a Democrat as the loudest bawler in the knew their man -and they knew that, when the

slaughters accidents. It is, worse than useless curacy it is surpassed by few American essays.
